# In-house Training

**Peakford Management Consultants** offers a service of creating and designing customized training and development solutions to suit your exclusive needs or those of your organization. No organization is one and the same and each may experience distinct issues that require customized solutions. Peakford Management Consultants will construct a customized proposal based on your organizations specific requirements. Peakford can deliver the training solutions you need, at a location you choose, in a manner that suits you!

## The High Performance Leadership Programme

Performance Leadership is a systematic, results oriented approach to management and leadership for high performing organizations, teams and individuals. The approach consolidates the fundamentals of management and leadership within the organization, and then builds on clients' existing abilities by increasing the rigor, range and effectiveness of their capabilities.

An opportunity for Leaders to reflect critically on their leadership approach, & expose them to a range of new ideas, concepts and frameworks
